

I think it is inappropriate for the Sinclair Broadcasting group to subvert the Federal Election Commission's rules by claiming that the anti-Kerry documentary is a news item. It is clear that this production was produced and will be aired for the sole purpose of affecting the outcome of the November election.

Please take the appropriate action to stop this.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Thank you for your consideration,
Don McAdam
